International Student Brochure

01 / overviews

Kunming Railway Vocational and Technical College (KRVTC) is an associate degree level general higher vocational college, which sponsored by Kunming Municipal People's Government and directed by Yunnan Provincial Department of Education, which specializes in training high-quality technical and skilled personnel in railway, postal and communication fields. KRVTC started its way in running school since 1958, after years of change and hardship, several times of renaming and reorganization, provided large numbers of talents for railway and urban rail transit around Yunnan and even China.

KRVTC has two campuses, Xiaoshiba and Yangfu, covering an area of about 25.5 hectares, a building area of 170000 square meters, fixed assets of 600 million yuan, and a library of more than 330000 books. There are more than 6700 full-time students enrolled. All varieties of teaching and service facilities such as Campus Network, Multi-media Classrooms, Standard Language Labs, Electronic Reading Rooms, Track and Field Ground and GYM are available.

KRVTC constructed 5 professional departments: Railway Rolling Stock, Railway Electrical Engineering, Railway Transport, Electrical & Mechanical Engineering, and post & telecommunication, opened 25 majors including Railway Locomotive, Railway Power Supply Technology, Railway Automatic Signal Control, Railway Transportation Operation Management, URT Vehicle Technology, URT Mechatronics Technology, EMU maintenance, etc.

KRVTC keeps the “going out” education philosophy of schooling, actively participates into and servers for “Belt and Road” initiative construction, successively dispatched several teachers to Inner Mongolia Railway in Kenya and Djibouti–Addis Ababa Railway in Ethiopia to train the local copilots. Not unexpectedly, they achieved remarkable results in Kenya and Ethiopia as it ought to be. Kunming Municipal Education Exchange Center of Foreign Affair has been approved and officially established in KRVTC in 2019, to implement educational foreign affair of Kunming City, contains talents training, policy advisory, and international students service. Prime Minister Thongloun Sisoulith of Laos and peers visited KRVTC during his visit to China in January 2020.
